Grand Knight's Report

Worthy Brothers:

The vernal equinox has recently passed, and we're moving deeper into Spring. We've just completed a successful 11th annual Lenten fish fry, and we're anticipating the great climax of the liturgical year at Easter.

We're also entering into the final quarter of our Fraternal Year 2006-2007. It's at this point in the year that the Grand Knight appoints a Nominating Committee to begin the search for next year's Council officer candidates.

A combination of this time of year with its many "signposts" and "waypoints" and the discussions I've had with members of the Nominating Committee have started me reflecting upon some of the challenges and opportunities facing All Saints Council 11402.

This next fraternal year will be the fourteenth year of our Council. This is significant for it represents the passing of a half-generational milestone. While many of our founding members are still active in the Council, the natural progression of time points to a day when they will no longer play as prominent a role in the life of our Council.

The next generation of Council leaders is waiting in the wings to pick up the mantle of responsibility and carry Council 11402 forward into a brightening future. We have begun to look around for those men who will be our Council officers in the next fraternal year. But, who are these upcoming leaders?

They are those among us who share a vision of our Council motivated by charity and bound by the principles of unity and fraternity. They are the compassionate and involved members of our Council who give freely of their time, talent, and treasure to make our programs successful and

with their encouragement and enthusiasm ask us to do new things, and to do old things in new ways.

In short, Brothers, the next generation of leaders is among those of you reading this letter who may not, as yet, have stepped up to a full and active participation in the Council and its activities.

Greg Crnkovich
Grand Knight

Over the next few years Council 11402 must continue to reach out to you, to encourage more of you to become involved, and to reach out to a new generation of Brothers who will carry on the tradition so nobly and richly-created by our founding generation.

In Luke 5:37 Jesus says, *"And no one puts new wine into old wineskins; otherwise the new wine will burst the skins and will be spilled, and the skins will be destroyed. But new wine must be put into fresh wineskins"*.

This enigmatic saying applies, I believe, to our situation. The "new wine" is the next generation of leaders. The "old wineskins" is the current structure and methods of Council 11402. For us to attract "new wine" we must be willing to discard the old wineskins and reinvent and reinvigorate our Council, turning it into a new wineskin.

Luke continues the quotation with, *"And no one after drinking old wine desires new wine, but says, 'The old is good.'"*

This phrase is important because it teaches us to respect and to appreciate all that has come before us. The "old wine" is not to be discarded, but to be savored.

Turning to other topics, I would like to thank all the Brothers and wives for their support during the Lenten Fish Fry. For fear of omitting anyone, I won't call you all by name. You

should all be proud of what you've accomplished this year.

You have made a significant contribution toward bringing Council 11402 into the forefront of the Dunwoody community, and you have demonstrated the kind of Christian involvement that will inspire more men to become Brothers.

But, we're never content to rest on our laurels. So it's with pleasure I remind you of our upcoming campaign to sell Vidalia onions. Already in the works, we've made contact with our farm supplier. In addition, we've sent out letters to our fellow Councils asking them to join with us in reducing the cost of shipping and handling. This is probably the second-largest fund raiser for the Council, after the Lenten Fish Fry. We hope you all will respond when the time comes to sell some onions!!

I'm also pleased to announce that for the first time, Council 11402 will have a float in the **Dunwoody Salutes America 4th of July Parade**. We've formed an *ad hoc* committee to look into designing and building a float. We believe that the more we are out in the community, the more our parishioners will come to understand how truly great it is to be a Knight of Columbus.

I'll close with a quote from Marvel Comic's Stan Lee--- *Excelsior!*

Vivat Jesus, Greg Crnkovich, Grand Knight

2007-2008 Officer Slate Nominating Committee Formed

Worthy Brothers,

As Chairman of the recently appointed nominating committee, with the responsibility to prepare a slate of potential officers for the forthcoming '07-'08 fiscal year, I ask that you assist us. As the committee reviews the list of 3rd or 4th degree members who are eligible to hold office, we want to make sure we do not overlook any candidates who are both capable and ready to assist the Council in its endeavor to make it the finest organization it can become.

If you are available and willing to accept the responsibility of being an officer, we request you submit your name, and if you desire, the position you would be interested in filling for review by the committee. Or, if you prefer, you may want to suggest the name of a Brother Knight who you feel would be an excellent candidate to hold office.

If such is the case, we suggest you either call or email one of the following members of the committee with your own suggestions or recommendations, no later than April 14th. Be advised that, as Brother Knights and Catholic Gentlemen, your recommendations will be held in the strictest of confidence, not to be disclosed or discussed outside the committee.

You may contact any member of the committee with whom you are most comfortable. We look forward to your input, and thank you for your interest and participation.

Easter “Day of Reflection” is Big Success

THE HOLY FACE OF JESUS

“ I firmly wish that my Face reflecting the intimate pains of my Soul, the suffering and love of my Heart, be more honored! Whoever gazes upon me, already consoles me” ...

(Our Lord to Sister Pierina)

Thanks to the hard work and planning of our Deputy Grand Knight Frank Callan, the latest Easter “*Day of Reflection*” on March 24, 2007 was a big success. A total of 37 brothers attended the first of these events to be held in the convenience of our own McGivney Hall.

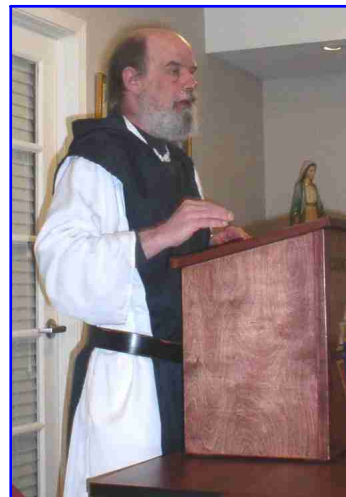

Father James Behrens, OCSO, of the Monastery of Our Lady of the Holy Spirit in Conyers, GA was the retreat master. Cistercian OCSO (Order of Cistercian Strict Observance) — alias Trappists— generally do not leave their monastery except with the special approval of their abbot. We were especially blessed to have him prepare us thoroughly for Easter.

It is our intention to hold future Council Days of Reflection just before Easter and Christmas. These are special Knight days of preparation for these two great feasts and all brothers should attend.

For those who have not be able to attend or have any reservations about attending such religious fare, please consider our next Christmas event. These programs last only about five hours on a Saturday and culminate in an afternoon Mass. They are painless.

Typical Day of Reflection:

11:00 to 11:45 Retreat Master Talk
11:45 to 12:15 Silent Reflection
12:15 to 1:00 Complimentary Lunch
1:00 to 1:45 Retreat Master Talk
1:45 to 2:15 Silent Reflection
2:15 to 3:15 Group Discussion
3:15 to 4:00 Mass with Homily

Fr. James Stephen Behrens, OCSO, monk, noted author of three published books

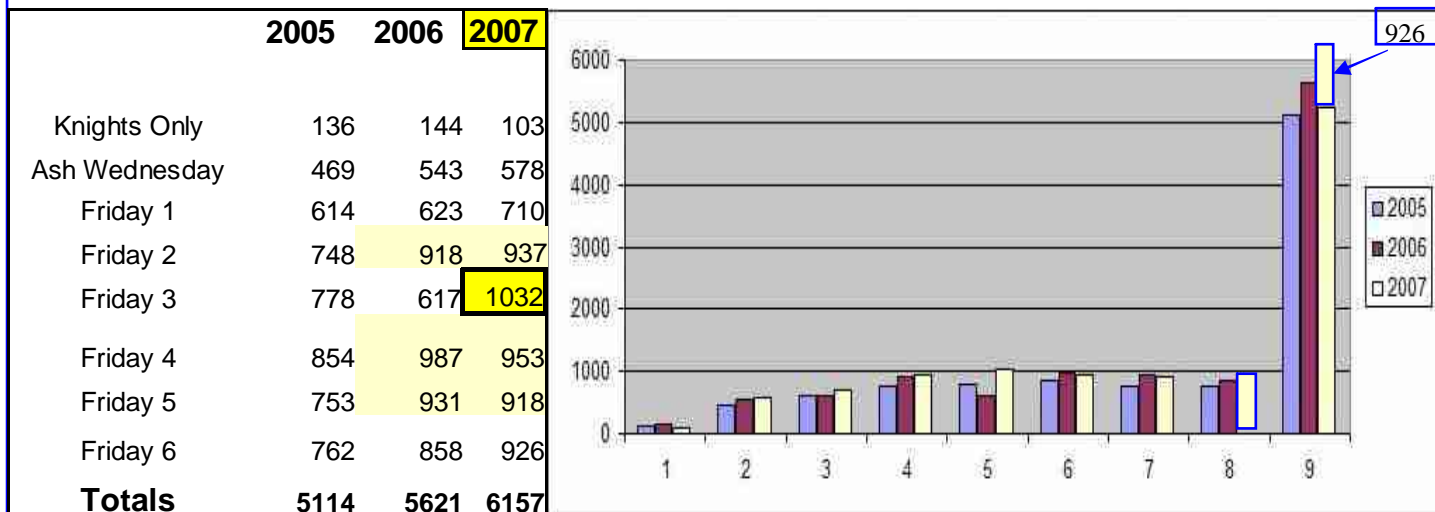

It was a jovial group of 37 brothers that gathered in McGivney Hall to enjoy the instruction of Father Behrens, a most moving, intelligent, and amusing speaker — (you wouldn’t expect the typical monk to be a Bob Dylan devotee). Several Brothers purchased autographed copies of his soft cover books, “*Memories of Grace, Portraits from the Monastery*” and “*Grace is Everywhere: Reflections of an Aspiring Monk*”. These book are available on Amazon for \$9.95. If interested, search for “**James Stephen Behrens**” on Google. Join us soon for the Christmas preparation “Day of Reflection.”

2007 Fish Fry Easily Breaks All Records !!!

With one more Friday Fry to go before press time, the 2007 Tony Ardagna Memorial Fish Fry was about to break into record territory. We already had broken our single night record of 1,012 with 1,032 meals served.

Needing only 390 meals served to tie last year, our final total easily exceeded last year by several hundred meals. In fact, the 6,000 meal milestone was shattered. We seem to be settling into a comfortable 900-1000 Friday meal range more and more often as the years progress. A final "official" report from our Financial Secretary will be issued next month.

Thanks to all our volunteers that donated thousands of total hours to this project. You will see your reward in the form of many charitable gifts during the coming months. God bless you.!!

Reinstated 1st Degree Brother, Kevin Jameson

Kevin Jameson became a Knight 9-1-1991 in the Pulaski Council in Pulaski, Tennessee. He returned to the Atlanta area with which he was very familiar and first joined our Council 1-8-2002. When his time became very limited, he was forced to let his membership lapse 3-31-2003. Happily, he has applied for reinstatement and was approved unanimously by the membership at the March business meeting.

Kevin graduated from Georgia Tech with a B.S. in Industrial Engineering in 1989 and then returned to Tech for an M.S. in Industrial Engineering in 1997. Both he and his wife, Margie, attended Marist High School. They married 6-23-1990. He is currently employed in the industrial air purification sales field.

They have two children, a daughter, 16, who now attends Marist and a son, 13, who attends Marist as well. We welcome he and Margie back into our council family.

New 3rd Degree Transfer Brother, David Defay

David Defay is currently employed as a Field Sales Manger at Sterling Life Insurance Company in Lawrenceville, GA. The company serves Medicare Beneficiaries. He has transferred from K of C Council 14 (yes 14) in Connecticut, where our organization originally started. He is married and his wife's name is Michele. More info on David will be coming soon.

Six other new brothers were exemplified to the 1st degree on March 27th. They are:

John Nuzzulo

Scott Quady

Marty Benson

John Kokoska

Glenn Gray

Scott Klinger

More information and pictures will be forthcoming in a future newsletter as well.

Reinstated 1st Degree Brother, Peter Otero

available

At the March Business meeting, the membership also voted unanimously to reinstate Brother Peter Otero whose membership had lapsed. He had reapplied for membership and had brought his annual dues current. He was voted back as a 1st degree Brother, and we hope to get his photo and more information in the very near future. We welcome Peter and wife Kelly back to the Council family.

Vidalia Onions -- The Smell Of \$ucce\$\$

It's that time of the year again to plan for our ANNUAL sale of our Vidalia Onions. The current schedule calls for the Onions to Arrive on the weekend of April 28/29 - - barring any long term adverse weather.

Last year we had 6 other Councils that joined us in this project, with our Council providing the management of getting the Onions delivered to each individual church. However, our key effort will come from our specific sale of onions to our own All Saints parishioners. Last year YOU all helped us sell 450 ten- pound bags of onions, and we will order that many again this year. The plan is to sell them again for \$9.00 per ten-pound bag.

Just like last year, we will count on everyone's participation to assist in the sale. We need to cover all doors at all Masses in order to completely sell out as we have in the past. Remember, spouses, and teen-aged children may help as well. It is important to have many hands helping to speed the process, so there is a minimum of waiting for our "customers".

We will also again offer pre-sale coupons before each mass, so manpower is extremely critical.

A sign-up sheet will be available at our next council meeting, so that you can select the mass time(s) that best fits you. This is a good one-day moneymaker for us, so we look for everyone to help. Please consider coming EARLY to your regular Mass to help us at the end of the previous Mass and then stay to help us after your regular Mass.

If you will not be at the April meeting, please contact Onion King, John Buchholz, at 770-458-5670 or jkbuch@aol.com to let him know when you can help.

Scenes from Our Record-Breaking 2007 Fish Fry

New Hospitality Committee Instituted

The worthy Grand Knight has instituted a committee to ensure that all brothers and their families are given the appropriate consideration during times of illness and death. The Hospitality Committee is comprised of ten volunteers whose function it will be to contact those worthy brothers and family members on the sick list at least once a month to determine any special needs. If (in the opinion of the volunteers) it is necessary to contact them on a more frequent basis, they will do so.

The sick list has been divided among the ten volunteers who will act in teams of two. In addition to making contact, they will also schedule once a quarter an opportunity to share with the homebound person a day when we would conduct a Communion Service.

In the event that they find that there is a need to provide the Sacrament of the Anointing of the Sick to any individual, Deacon Ray Egan will be contacted. Egan will then contact a priest and make the necessary arrangements for the person to receive this healing and grace-restoring sacrament.

The ten members of the committee are as follows: Worthy Brothers, Guy Stryker, Joe Kane, Kirby Baden, John Buckholz, Ernie Spencer, Gert Kampfer, Don Meyers, Dave Moeller, Doug Berkbeck, and Pat Fahey.

In the event that you are aware of a brother (and/or a family member) who is ill, please make it known to Sir Knight Deacon Ray Egan(dekeray@aol.com) 404-558- PRAY(7729).

We thank the volunteers for their time and effort in this "very Catholic" new Council ministry. Any additional volunteers are, of course, welcome to participate. We have a great number of sick folks to visit (see page 8).

March Social Meeting Speakers Deliver

Sir Knight Kirby Baden (center) lectures the attendees on photo-editing techniques.

Our educational social night programs continued on March 20th with the computer-themed topics delivered by Norb Braza and organizer Kirby Baden to an audience of 32 people in McGivney Hall,

Norb Braza gave the first presentation on the history of computing. An intermission followed with pizza and other light refreshments. Kirby Baden followed with a slide show with music highlighting the important Council 11402 events of the past year. He then went into a demonstration of professional photo-editing techniques with various software programs. Kirby teaches a regular class to senior citizens in Gwinnett County. Hearty thanks to both these brothers!!

March 6th Council Business Meeting Notes

Several motions of importance were voted at the March 6th Business meeting. As you can see, this was a very fruitful and important meeting.

- The amended by-laws were approved.
- The stipend for the Diaconate was passed.
- The amount of \$1,770 to reimburse the parish for walk-in freezer repairs was passed.
- The amount of \$1,000 for a new fish fry outside awning was passed.
- Two checks for \$500 each were presented to representatives of Pregnancy Resources and Atlanta Intercultural Ministries.
- A motion to purchase 72 additional monogrammed council baseball hats for future fish fry use at \$6.00 was raised. A vote will be taken at the April meeting to approve. They will be sold to council members for \$8.00 each, but will be free to cooks who require them.
- Three members were admitted — 1 transfer and two reinstatements. Story in this newsletter.
- Twelve candidate Form 100's were approved as potential new members. Three of the twelve have already been exemplified on March 27.
- A nominating committee to investigate and approve new candidates for officers in fiscal year 2007-2008 was appointed. The story is on page 2 of this newsletter.
- Ralph Stinson was the winner of the attendance award of \$25.00. Bob Fiscella won split-the-pot.

Terry Weaver, National Director of Birthright of Atlanta, is gifted with \$1,000 by Grand Knight Greg Crnkovich, Archbishop John F. Donoghue, and Monsignor Donald Kiernan at the last meeting.

Important Schedule for Existing First-Degree Brothers

Worthy First-Degree Brothers,

Nearly once a month, a 2nd Degree Exemplification followed shortly thereafter by a 3rd Degree Exemplification are held together at various council halls across northern Georgia. These ceremonies are free of charge to all the candidates (we reimburse any registration fee) and a very nice free lunch is always served afterward. Your only effort required is to come with your Knight ID membership card and a rosary (knights always carry rosaries.)

Any interested candidates can schedule a ride with Warden Lou Hlad, who will be participating in the ceremony. Email louhlad@bellsouth.net. The initial second degree ceremony usually requires registration by 9 AM. The next event is at Our Lady of Perpetual Help Church in Carrollton, GA. It will be a pleasant ride west on I-20.

These events are excellent opportunities to progress two stages in Knighthood and have an enjoyable few hours with your fellow Knights from several councils. Dress is business casual with a sport coat suggested in keeping with the religious theme. You will be home by mid-afternoon and you will be a proud Third-Degree Knight. You may then be eligible to become a Fourth Degree Knight in October. All ceremonies are interesting and uplifting.

This is the schedule for upcoming events. Contact a council officer to express your interest in your progression:

Sat	4/28/07	Monsignor Regan Council	Council 8731	Carrollton (Our Lady of Perpetual Help)
Sat	6/02/07	Holy Family Church	Council 9792	Marietta

Please join us. You will not regret the time spent. Your name will be proudly printed in the All Saints Parish Bulletin, and you will be a featured star in our next Council newsletter.

Council Hosts First *“Iron Man Competition”* April 1st

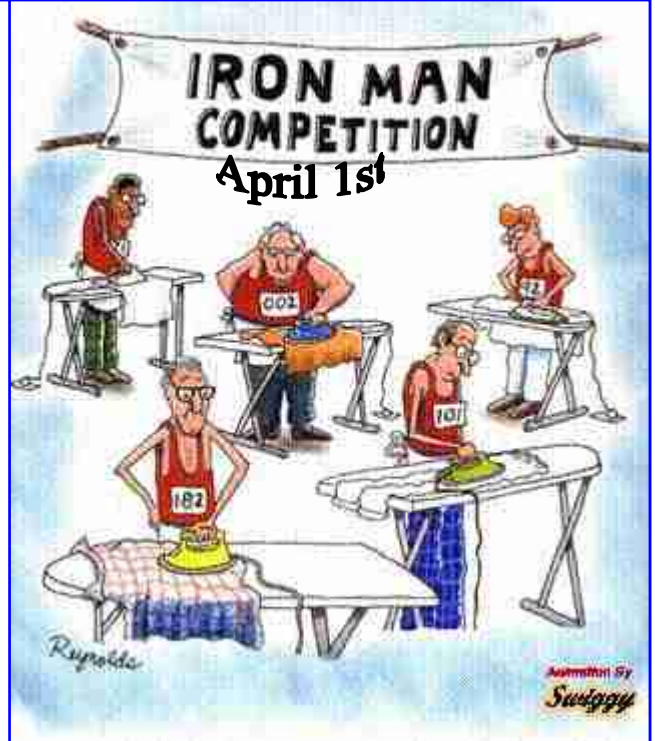

Council 11402 will host its first annual **“Iron Man Competition”** on Sunday, April 1st in McGivney Hall. Competitors from all the Councils in our own District 13 have been invited to send their toughest representatives to this grueling tournament.

Some of the more challenging events include the clean and jerk, the press, the curl, the electric slide, the doggy spray, and the button hook. For the final event, the contestants will be blindfolded.

Each contestant will be given ten different articles of clothing with which to demonstrate his prowess. Judging will be based on level of difficulty plus style points. Time limits will be strictly enforced with deductions for sloppy or incomplete preparation.

The always crowd-pleasing “tag team” match will feature a competition between councils for the application of spray starch to panty hose. Each team will try to enable their assigned pair to stand erect of their own accord in the shortest time.

Seating is limited, so contact the Chairman of Council Activities to reserve your seat. Light refreshments will be served, but not during the actual event to ensure utmost cleanliness.
