Grand Knight's Report

Worthy Brothers:

The name "Lent" comes from same Latin root as our English word "length" and refers to the lengthening of the days as we approach the vernal equinox. As a child I was taught I had to "give something up" for Lent. This was always framed in the context of suffering--either as a foretaste of purgatory for my misdeeds, or as a reflection on and participation with the sufferings of Christ.

As an adult, I've come to understand that the Lenten abstentions are really not about suffering as much as they are about awareness, preparation, and conversion. As en fleshed spirits, we live in two worlds--the material and the spiritual. Lent lets us take stock of just how balanced we are between the material and the spiritual. The little mortifications we endure help make us aware of how addicted we are to the things of this world.

Awareness of our mortal addictions leads us to strive harder to conform our wills to God's will. As Knights we strive constantly to discern and to do God's will. Lent has a great way of focusing our attention on that goal.

The Church has two seasons of anticipation and preparation. The same liturgical colors of purple and rose are used for both. While Advent anticipates Christmas, Lent anticipates Easter. While Lent may seem a somber, dreary time, it's actually a time filled with hope and joy, because it anticipates the Resurrection. I hope that all of us will take time this Lent to work on breaking our addictions to this world, trying to conform our will to God's will, and focusing on our spiritual resurrection.

I make no apologies for my unabashed boosterism of our Lenten fish fries. Sometimes, I feel like Colonel Kilgore-- "I love the smell of fish grease in the morning! Smells like...victory!"

The fish fry is our biggest event, and the major source of revenue to fund our charitable activities. Lent comes early this year, with Ash Wednesday falling on February 21. Our fish fry season kicks off on Friday, February 16 with our practice dinner. All Saints has provided us with a new stove in the gym kitchen, and we are updating our equipment as we go along.

Our planning committee has been getting ready by putting new items on the menu, eliminating some slow-moving items, and coming up with new ways of serving our food faster and better. As always, we're looking for volunteers to help with setting up, serving, and cleaning up each Friday in Lent, beginning at 12 Noon through 3 PM, 4 PM through 8 PM, and 6 PM through 9 PM. There's plenty to do, and a place for everyone who wants to help. We'll have more details at our February business meeting on February 6th.

Greg Crnkovich
Grand Knight

The Grand Knights' Meeting was held in January. I'll make a report to the Council, but I learned a few things that are worth noting about the Knights of Columbus. Were you aware that the Knights offer a full-tuition scholarship, including room and board, to a Catholic college to the children of Knights who are active duty military, police, or fire/rescue department personnel who are killed in the line of duty?

Were you aware that Georgia is one of the top four states for increasing membership in the Knights, and we're likely to finish in 1st or 2nd place this year? There's a lot to know about the Knights, outside of what we do at the local Council level.

Over the next few months, I'll try to bring you more news about things that are happening in the Order on the national and international level.

Vivat Jesus! Greg Crnkovich

Lenten Fridays Become Fry Days Again This Year

It seems like we just put away the giant pots and pans for a long winter's nap, but here it is — February Fish Fry time again.

By the time you read this, some planning meetings will already have been held to manage details and form the committees that will make our 2007 Fish Frys another giant moneymaker for the council. The bulk of our yearly revenue comes from these events. We have served about 1,000 meals in an evening several times.

Scheduled again are eight frys—a practice fry for Knight families only, an Ash Wednesday fry, and six Friday frys during Lent.

We hope that every Knight will bring his family and friends to these events, and then spend some time working to make them successful. We need cooks, waiters, delivery runners, order takers, furniture movers, drivers, sweepers, and dishwashers.

All Saints has replaced the large range in the gym kitchen, so the Chowder Heads can work in safety and convenience. This gorgeous unit is already up and running ! Ray Gustin is working with his refrigeration guy to repair the walk-in freezer. The Council will probably end up paying for this. We're going to buy some new microwaves for the upstairs kitchen. Plus, Mike Paolozzi is getting prices for a new awning for the cooking area—one that doesn't require support trees.

2007 Schedule of Fish Frys

- February 16—Practice Friday Fry —Knight Families only**
21—Ash Wednesday—first public fry
23—Friday Fry #1
- March 2—Friday Fry #2**
9—Friday Fry #3
16—Friday Fry #4
23—Friday Fry #5
30—Friday Fry #6
- April 6—No fry on Good Friday (no pun intended)**
8—Easter
- We'll need about 50 Knight volunteers for each event !!!

McGivney Hall Renovations Planned

Early in 2007, the Council intends to make some renovations to McGivney Hall that were budgeted at the onset of this fiscal year, provided our facility budget is not diverted to other more pressing needs.

1. We intend to replace the worn carpeting in all three rooms with more attractive and resilient covering.
2. We intend to donate the five heavy, clumsy, non-folding square wooden tables to a needy organization. They would be replaced by folding, lightweight aluminum tables of various lengths that allow quick room configuration changes for various events.
3. We will donate the excess furniture in the back office (sofa and love seat) to a needy person or organization. That room is slated to be reconfigured as a true office with desk, filing cabinets, and additional needed storage.
4. We would like to put casters on all the officer podium furniture to enable easy movement.
5. We would like signage above our entrance door that advertises our organization as shown in the sample to the left. It is under \$250 and is already ordered.

McGIVNEY HALL
COUNCIL # 11402

This is an official request for ideas regarding the requisition of needed items and disposition of the unneeded items, so that we can begin the replacement process. All purchases over \$250 will take a vote of the membership according to our by-laws.

We would, of course, accept any donations of spare, usable office furniture needed to configure the back office after it is emptied.

Contact our Warden, Lou Hlad, at louhlad@bellsouth.net with any suggestions for these envisioned Hall renovations.

Council Hosts Two January “Homeless Shelter Sundays”

Sir Knight Tom Begley again managed the staffing for our two Council Sundays at the adjacent homeless shelter facilities at the **Immaculate Conception Catholic Church** and **Central Presbyterian**, just across from Underground Atlanta. The dates were the nights of Sunday, January 21st and Sunday, January 28th.

Tom recruited brothers to stay those nights to act as servers, monitors, friends, and hosts for about 90 destitute men who spend the nights in those two facilities during the winter months.

About nine brothers were needed for each night to split between the two facilities. The homeless men always offer a grateful prayer for their hosts just before they eat the welcome donated food.

Please volunteer your time for this fine cause. It has become one of our council’s finest traditions.

Sir Knight Bill Allen tidies up a bit at the Central Presbyterian Homeless Shelter as 65 grateful clients prepare to spend a warm night off the cold streets. They had just finished a delicious spaghetti dinner prepared by our church women who then headed for home. Our brothers spent the night.

Important Schedule for Existing First-Degree Brothers

Worthy First-Degree Brothers,

Nearly once a month, a 2nd Degree Exemplification followed shortly thereafter by a 3rd Degree Exemplification are held together at various council halls across northern Georgia. These ceremonies are free of charge to all the candidates and a very nice complimentary lunch is always served afterward. Your only effort required is to come with your Knight ID membership card and a rosary (knights always carry rosaries.)

We usually form a caravan in the All Saints parking lot in front of McGivney Hall on a Saturday morning in time to get to the ceremony site to register candidates and get instructions. The initial second degree ceremony usually requires registration by 9 AM. The next event at a beautiful new parish, St. Michael the Archangel in Woodstock.

These events are excellent opportunities to progress two stages in Knighthood and have an enjoyable few hours with your fellow Knights from several councils. Dress is business casual with a sport coat suggested in keeping with the religious theme. You will be home by mid-afternoon and you will be a proud Third-Degree Knight. Both ceremonies are interesting and uplifting.

This is the schedule for upcoming events. Contact a council officer to express your interest in your progression.

Sat	2/10/07	St Michael the Archangel	Council 11768	Woodstock
Sat	3/10/07	St. Mark	Council 13491	Clarksville
Sat	4/28/07	Monsignor Regan Council	Council 8731	Carrollton (Our Lady of Perpetual Help Church)
Sat	6/16/07	St. Joseph Church	Council 4599	Marietta

Please join us. You will not regret the time spent. Your name will be proudly printed in the All Saints Parish Bulletin and you will be featured in our Council Newsletter. See next page.

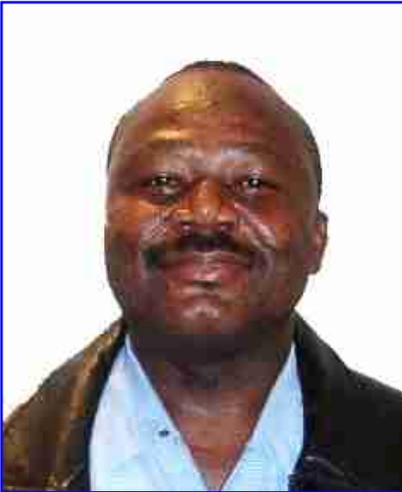

Vivat Jesus,

Lou Hlad, Warden, Council 11402

Schedule Change for Next First-Degree Exemplification

We have been forced to move the exemplification for new members from Tuesday January 30th to Thursday February 1st. There was a conflict with the All Saints Retreat on January 30th. Please greet our new members on Thursday, Feb 1.

Two Council Knights Progress to Third Degree

On January 6th, 2007, two of our 1st degree Brothers attended the exemplifications at St. Brigid and are now proud 3rd degree knights.

Euse Duruh (left) and Joseph Fuentes (right) have expressed interest in progressing further to full Knighthood at the Spring exemplification at the Airport Westin Hotel on April 21st.

Duruh (nicknamed “EZ”) had been inactive for two years and decided to begin participation again. Fuentes’ father was a Grand Knight and he has a brother in California who is a knight.

Our Heartfelt Council Thanks to the Paolozzi Family

Last Spring marked the beginning of the Paolozzi Era, (not to be confused with the Paleolithic Era that marked the early part of the Stone Age.) It was in the Spring that the Paolozzi clan took over the management of our 2006 Tony Ardagna Memorial Fish Fry and began putting their culinary flavorings on our social events.

Sir Knights Frank and Mike, Brother Damon, along with their wives and progenies were conspicuous by their presence in all facets of the operations. Since then, the Paolozzi’s have run the Knightoberfest, the Veterans Appreciation Cookout, the Council Christmas Party, the Creche Lighting Reception, and aided other events.

Our council is blessed to have a family so gifted in food preparation and presentation. Last year’s Fish Fry was record-breaking, the Knightoberfest food was simply magnificent, the Veterans Cookout was exceptional, and the Creche Reception had homemade canolis.

The Council wishes to thank the Paolozzi Family for their valuable contributions to our successes thus far. We hope that the Paolozzi Era lasts awfully long.

Damon, Frank, Frank’s wife Pat, Mike, and Damon’s son Max. The Paolozzi Family poses at the “Desserts with Santa” Party.

Council Free Throw Sharpshooters

Several youngsters put on a free throw clinic for the textbooks in our Council Free Throw Championship on Sunday, January 21st. The brother knights in attendance could only stare in shock and awe as youngsters scored the highest marks ever recorded by us. Below are just some of those amazing results.

Shown with Grand Knight Greg Crnkovich (left) and Deputy Grand Knight Frank Callan are Bradley McKnight (age 12) and Anna Crochet (age 10).

McKnight (how appropriate) pumped in 15 baskets out of 15 attempts. While little Crochet pumped in 13 out of 15 baskets. She actually could only tie another 10-year-old girl, Kendall Chadwick. Another youngster, Zack Vieira, also recorded 13 baskets out of 15 attempts among the 11-year-old boys.

The district shootout will be in the All Saints Gym on Sunday, February 4th. Is there any doubt which Council will prevail? Then on to the state contest. Our special thanks go to **Mark Moots** for the best tournament we ever had!!

Taking a Knightly Walk Down Memory Lane

In this archives photo dated Oct. 4, 2003, eight of our brothers had just become Fourth Degree Sir Knights, and they probably looked better than they had ever looked before or since.

Left to right, are Sal De Pace (now deceased), Jim Miranda (later our Grand Knight), Romy (“the Legend”) Myszka (since moved to Fort Worth, TX), Sean O’Neill (yes, with hair), Dennis Higginbotham (since moved to Louisiana), Benny Mastrogiovanni (you probably know he is still here), Bill Shannon, and Ron Collins.

On April 21, 2007, the next fourth degree exemplification will be held in Atlanta. We hope that every third degree member will follow their fine example by progressing to this level.

You can start by purchasing a black tuxedo. We want all of our members to look this good at least once in their lives. Plus, we really want to take another very cool picture like this

Interfaith Outreach Home Obtains Funds

At our January business meeting, Grand Knight Greg Crnkovich temporarily halted the formal proceedings to present a check for \$1,000 to Ms. Deborah Walker-Little representing the Interfaith Outreach Home (IOH) at 5200-A Buford Highway in Doraville. This facility is a regular recipient of funds from both our council and All Saints Parish — www.iohome.org.

Walker-Little charmed us with a short presentation outlining the many programs for which these funds may be utilized. They provide transitional housing for families experiencing an episode of homelessness. Families live in self-contained apartments in IOH’s ten-unit facility and take part in life skills training. Self-sufficiency is regained in nine to twelve months.

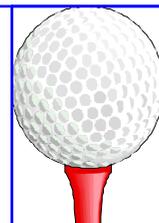

All Saints Parish was one of 30 North Atlanta churches of all denominations to address the problem of homelessness in 1989. Through 2004 more than 160 families were served.

It should also be mentioned that all the proceeds of the “*Keep Christ in Christmas*” card drive are given to the IOH as well, as has been our custom for several years.

Continued Collection of Items for Troops and Veterans

We continue to request that you bring to meetings unneeded golf equipment to send to the USO for distribution to the troops overseas (bags, clubs, balls, tees, etc.) These items are used on makeshift courses on the lovely rolling dunes of Iraq and Afghanistan and relieve some of the tedium of the troops.

We also continue to request that you bring magazines, books, toiletries, cards, games, pens, pencils, stationary, usable clothing, etc. to be taken to the Veterans Hospital in Atlanta.

Search Engine That Raises KofC Funds

A new internet search engine, **Goodsearch.Com**, has been initiated that pays any selected non-profit organization one cent (\$0.01) for every information search click. See goodsearch.com.

Before entering the normal search parameters on the search line, the user enters a charity name designated to receive the gratis penny. Example: entering “*Knight of Columbus*” sends a penny to New Haven Supreme Council per search.

The non-profit organization selected remains as the designated recipient until it is changed on a subsequent search. New recipients may be entered into the database with a template provided. Many thousands of charities are already set up., including the Supreme Council in Connecticut. Scanning the existing database is simplified by entering partial names.

Since the award per search is small, this site is effective for organizations with many members who choose to combine their searches. Here is a typical payout scenario:

Charity or School Size	People	Avg Searches per Day per Person	Estimated Revenue per Year
Small	100	2	\$730
Medium	1,000	2	\$7,300
Large	10,000	2	\$73,000
K of C	1,7000,000	2	\$12.41 million

The underlying search engine employed is the Yahoo.com engine, so the searches are very high quality. The user may query the charity name to see how much money has been posted to it each month in real time.

Special Council Social Night Speaker — January 16th

Our Grand Knight surprised us by lining up a speaker for the first half hour of the regular council social night, Tuesday, January 16th.

Judy Miller of All Saints spoke of an international organization with the French name of “**I’Arche**,” a network of faith-based communities that care for people with developmental disabilities in a community setting. This organization was founded in Toronto in 1969 and today there are 121 communities on 6 continents in 31 countries serving people with disabilities in special homes.

Recently, Dr. Jean Vanier, the internationally-known founder of **I’Arche (the Ark)** was honored in Montreal with the Knights of Columbus [*Gaudium et Spes Award*](#) by Supreme Knight Carl Anderson at a banquet at Queen Elizabeth Hotel. This award, coming with a special \$100,000 honorarium, is the highest honor bestowed by the **Knights of Columbus**.

The award is named for **Gaudium et Spes** (Joy and Hope), the landmark 1965 document adopted by the Second Vatican Council. This document was a landmark in social teaching and the “Pastoral Constitution on the Church in the Modern World.” Vanier was the sixth person (and first layman) to win the award.

In 2005 an Atlanta local planning group became a I’Arche pre-project. You will recall that reaching out more to the community is one of our new council objectives. We will see if there is any way that our council can aid in establishing or serving such a community in the Atlanta area.

For more information on this organization, see their web sites www.larcheusa.org and www.larche.org.

“Keep Christ in Christmas” Campaign is Big Success

Our Religious Card Chairman, Gert Kampfer, reported that the final sales tally was 245 boxes of Christmas cards and 76 car magnets sold. This success allowed us to donate the proceeds in the amount of \$1,000 to the Interfaith Outreach Home (IOH) in Doraville. See the picture and story of the check presentation to IOH on the preceding page.

Our heartfelt gratitude goes out to Brothers Gert and Bill Lehman who manned the sales table at every church function.

Council Benevolence Recommendations

Our Council *Charity Review Committee* met recently to consider several applications based upon the “**Request for Charity**” forms that have been received. As had been stated at the start of the fiscal year, the Council is looking to increase the number of charitable donations this year to draw down some of our cash reserves. Any council member may request funds for a charity and provide a proper justification case that is accepted by the *Charity Review Committee*.

These four applications were approved prior to the January Business Meeting, offered and seconded at the January business meeting, and now publicized to the general membership before final council voting approval at the February meeting. Our by-laws require this approval process for expenditures over \$250.

The four requests passed by the committee are:

Atlanta Intercultural Ministries— \$1,000 — requested by Greg Crnkovich for this after-school mentoring program for children of immigrant and refugee families can enhance reading and writing skills.

Birthright of Atlanta — \$1,000 — requested by Dave Moeller. This right-to-life organization is one of our regular recipients of financial aid. Last year Archbishop Donoghue gave out the check at our meeting.

I-Care —\$1,000— requested by Tom Burleigh. This organization provides drivers for indigent people who can not get themselves to health care facilities. Several council members are drivers.

Spirit and Truth Ministries— \$250— requested by Greg Crnkovich for this young adult group in Doraville that fosters devotion to the Holy Eucharist and Mary.

Other applications will be considered pending committee approval of “Charity Request Forms” received.

Formal Assembly *Founder’s Day Ball* on March 31st

Our *Fr. Charles J. This gala event will be a sit-down, plated dinner with music for band dancing and an opportunity for Sir Knights to wear their tuxedos and baldrics to impress their dates! All 1st to 3rd degree members attending would wear regular suits and ties.
