## Grand Knight's Report

Worthy Brothers,

No man stands before you as Grand Knight without a profound sense of gratitude to those who have gone before him, and without an abiding sense of responsibility for what lies ahead.

I would like to thank outgoing Grand Knight Jim Miranda for his two years of service to our organization. Jim has proven to be a most capable Grand Knight and has presided over an exciting time in our Council. Jim, you will be missed!

I would also like to acknowledge the contribution of our outgoing Officers and Program Chairmen. These men provided the backbone for the successful programs we held over the past fraternal year. Thank you, gentleman!

And, finally, to our incoming Officers and Program Chairs, I extend my appreciation to you for stepping up and being willing to serve your Council. There are great things ahead, and you will be at the center of much of it!

As we embark on our Fraternal Year, it's incumbent on the incoming Grand Knight to set goals and challenges for our Council. This year, I would like to establish four main goals for Council 11402.

The **first goal** is to reflect upon our Knights' motto "*In Service to One, In Service to All.*" As a Catholic fraternal society, the Knights' are dedicated to the care of one another and to God's neediest. Bound by the principles of charity, fraternity, and unity, we Knights have within us the power to do great things in our community by bringing Gospel values to life in

our everyday lives and in our outreach to those in need.

To this end, I challenge the Council to become even more active in our charitable activities, giving of our time, treasure, and talent in ways we haven't done, before. A critical aspect of meeting this challenge, for me, is the recognition that we have been blessed this past year in the

raising of a considerable charitable fund. But, we simply shouldn't dole out these funds, we should use them in coordination with other activities to really make us "*Knights in Action.*" Our support of the Elaine Clark Center is an example of how we can use our time, talent, and treasure in meaningful ways.

Our **second goal** is to develop more spiritual awareness among ourselves individually and as a group. The Knights cannot be the strong right arm of the Church without deepening the commitment to live out the Gospel in our daily lives and without deepening our awareness of the communitarian nature of our gift of church. Later this summer, we'll be holding our first two-day retreat at Simpsonwood. This follows our successful Day of Reflection held in April at Marist. These events

offer us the real possibility of deepening our relationship with Christ, and with our fellow Knights. In addition, we have many more opportunities to support the liturgical life of the parish and I hope that we'll take advantage of them.

Our **third goal** was given to us by Msgr. Kieran at the Officer Installation Mass last week. Monsignor challenged the Knights to become more active with vocation programs both by increasing our prayers for young men and women

# Introducing Our New Grand Knight — Greg Crnkovich

People often ask how to pronounce our new Grand Knight's name. We can officially reveal here that it is pronounced (**Grr-egg**).

Greg is the oldest of five children, born in Omaha, Nebraska, of a Croatian father and a Polish mother. He attended his local parochial grade school and graduated from Creighton (Jesuit) Preparatory School. He later attended Washington University in St. Louis where he received a **B.S. in Chemical Engineering** and an **M.S. in Engineering Management**.

Greg's professional career started with the Ralston Purina and Frito-Lay companies, before he moved to Atlanta in 1991 to work with a small, local engineering firm. Greg has consulted for several large companies including Procter and Gamble, Mead Johnson Nutritionals, McCormick Seasonings, Campbell Soup, and General Mills among others.

He currently is the **Director of Planning: Food and Beverage Projects** for The Austin Company of Cleveland, Ohio. His office is in Buckhead. Greg travels extensively across the U.S. supporting and developing projects in the food and related consumer goods industries.

A member at All Saints Parish since 1993, he has been active in several ministries over the years. He has been an instructor in the **Adult Education** program, a member of the **RCIA** core team, a member of the **Renew 2000** and **Why Catholic** core teams, a group facilitator for both **Renew** and **Why Catholic**, and is currently an Usher, a Greeter, and a Lector at the 12:15 Sunday Mass.

Since recently completing his M.T.S. (**Masters in Theological Studies**) from Spring Hill College (Jesuit again), he is currently working on obtaining an **M.A. in Theology** from the same institution.

Greg says that middle age is catching up with him, and it was never more obvious than with his recent foray into learning Koine Greek. He struggled through two semesters of the language, and "on a good day" could translate quite a bit of the New Testament. He has to take two more courses plus write a Master's thesis to attain his M.A. degree. He projects he'll finish that sometime in late 2007.

Although you would never know it to look at him, at one time Greg was a pretty good amateur long-distance bicyclist, having participated in Texas' "**Hotter'n Hell Hundred**" over ten times, the weeklong "**Ride the Rockies**" in Colorado, and the infamous "**Assault on Mt. Mitchell**" in the Carolinas.

Greg is a certified scuba diver, and has dived the Great Barrier Reef in Australia and several of the dive locations off the Yucatan Peninsula in Mexico. In his foolish youth, Greg also acquired a private pilot's license, and also has jumped out of few perfectly good airplanes just for the heck of it. But he is now content to spend much of his time riding in the back, with all the other "geese." He has also spent a good deal of time white water rafting out West on the Green, Salmon, and Colorado Rivers.

In his spare time, Greg enjoys reading non-fiction books; hasn't gone to but three movies since they awarded "**Rain Man**" the Best Picture and Best Actor awards in 1989; is becoming an opera "maven" to fill a large hole in his "Jeopardy" armamentarium; and he is reasonably computer literate.

If you're willing to come over and help look for it, Greg owns about every possible "gadget or tool" for the advanced cook, but oftentimes these are lost in the jumble of all his other paraphernalia. Greg is a "curmudgeon bachelor" and lives in the Kingsley Subdivision. He has no excuse for ever being late to Mass or a council meeting, since McGivney Hall is within site of his front door. His house is in a constant state of renovation and repair, although the pace of the work is not "blistering."

Greg has been an enthusiastic member of Council 11402 since he joined in 1998. He entered the 3<sup>rd</sup> degree in 2000, he became a 4<sup>th</sup> Degree Sir Knight in 2001, and now in mid-2006 he is our **Worthy Grand Knight**. Congratulations! Live long and prosper!

## Council Members Attend All Saints Pre-School

Using the all the craft and innovative skills they recently honed at the Elaine Clark Center, a dedicated dirty dozen band of Council members converged upon the new All Saints Pre-School facility on Saturday morning June 10<sup>th</sup> to convert certain vacant rooms of the Activities Building into an inviting learning center for pre-schoolers.

Scores of boxes of elf-like furniture and assorted playthings awaited all the assembly skills they could muster. Tables, chairs, wall racks, work benches, wardrobes, mirrors, play kitchen appliances, and whatever soon lay in countless pieces as the volunteers eagerly ripped open many cartons.

Some of the items (like bookshelves) were not very daunting, but one smallish carton contained a child's play oven with burners, dials with tension springs, a glass door with latches, an overhead rack, and hundreds of pieces. The instructions for all the assemblies, of course, were compiled by those inscrutable Chinese.

The new director of this facility, Hope Long, was very relieved that she and her father would not be tasked with building all this paraphernalia themselves before the opening class day of September 5<sup>th</sup>.

She moved about like a proud expectant parent watching all the modules being assembled into the vision of a parish pre-school program that had been outlined in the recent *All Saints Heritage Campaign* literature.

Council members earning their prized "*Some Assembly May Be Required*" Merit Badges were Greg Crnkovich, John Knight, Jim Knapp, Jim Mammoser, Andy Diaz, Greg Moss, Lou Hlad, George Foster, Gene Gannon, Mario Committo, Fred Dyer, and Kent Polzin. Craig Foy, a parishioner whose son will attend this Fall, assisted the Knights along with Kent Polzin's son, Drew, (shown above) and George Foster's son, John Patrick.

This is the type of selfless activity that exemplifies the principle of charity upon which our Order revolves.

**Pictured in this June 10th, 2006 photo are the proud members of the first graduating class of the new All Saints Pre-School. Brothers John Knight plus George Foster and son John were at recess at the time the picture was taken.**

## Backup Music Man Needed for Exemplifications

Our Worthy Warden, Lou Hlad, is looking for a brother to serve as a music and lighting apprentice during 1st degree ceremonies at McGivney Hall. Currently there is no backup to this function on our Exemplification Team.

The job simply entails following along with the ceremony in the official text and playing the correct music at the proper place during the event. A special CD is provided with a recorder using a digital remote that can select the designated track. The room is darkened and such selections must be made using the miniature flashlight also provided. At critical times, various light switches are also toggled from behind the bar area. If you always wanted to be a deejay, this is your chance.

Lou also travels to 2nd/3rd degree exemplifications at other local parishes to perform similar functions at those larger events that may have up to 100 participants. This is an enjoyable Knight ministry in which you can participate at any level you wish. It is a very interesting backstage education into the inner workings of the Brotherhood ceremonials and the people that run the Order.

## Council Benevolence Motions Made Last Month

During the June 6<sup>th</sup> Business Meeting, several motions were announced and seconded that our Council Charity Committee had discussed and recommended to the membership. Council By-Laws require that all expenditures over \$200 be tabled for 30 days and publicized to the general membership before final approval.

Wiley Maloof moved that **\$1,000** be donated to Sister Sponsa Beltran at *Our Lady of Fatima Rehab Center for Handicapped Children* in Liberia, Africa. Sister Sponsa is a regular recipient of Council funds and cares for 800 children.

Gert Kampfer moved that **\$1,000** be donated to *Our Lady of Perpetual Help Cancer Hospice* next to Turner Field. The All Saints community commonly supports this charity.

George Foster moved that a donation be made to *Good Samaritan Respite Center* in Augusta, Georgia to cover medical care for homeless people. The Charity Committee recommended the amount of **\$750** for this new Council charity.

The Charity Committee recommended that this year's K of C state raffle ticket refund of \$742 be augmented by \$258 additional dollars and that the **\$1,000** total be donated to *Birthright*. This is a pro-life anti-abortion organization that we often support.

At the July 6<sup>th</sup> ([Thursday!](#)) Business Meeting, all the above motions will be re-issued for final approval.

The amount of **\$1,000** in unrestricted funds and an amount not to exceed **\$750** for maintenance supplies for the *Elaine Clark Center for Exceptional Children* had already been given final approval after a thirty day period during the June business meeting.

Our Brother Knights are to be applauded for their charitable thoughtfulness.

## Good Heavens! Another John Buchholz !??

As far as we know, human cloning has not yet been perfected. Yet, another John Buchholz was apparently created some years ago and all signs seem to point to our own John and Karleen as the culprits.

John D. Buchholz made his parents mighty proud recently when he was consecrated a Deacon of the Catholic Church. The ceremony was held on Saturday, June 10th at St. Augustine Cathedral in Bridgeport, Connecticut. He completed his Diaconate study program that lasted four years. His parents are especially proud of his strong commitment to Christ.

John is a graduate of the University of Georgia and was also a parishioner at All Saints. He will now be working in the Community of St. Peter's Catholic Church in Danbury, Connecticut.

He is not yet sure what his official duties will be in Danbury, but he is trying to figure out what to do with the 450 bags of Vidalia onions that he will be receiving in April.

## Council Officer Installation Mass on 6-28-2006

It was an exceptionally colorful and handsome group that posed for all posterity after the special Council 11402 Officer Installation Mass on June 28th at All Saints Church. Their terms begin on July 1st.

Monsignor Kiernan celebrated the Mass and was assisted by Father Dan McCormick. The other red-robed gentleman is Rick Sisko who served as District Deputy during the ceremony. Rick is a past Grand Knight of our Council. The black-robed gentleman is John Baker who served as the Ceremonial Warden. He is also a past actual Warden of our Council.

A reception was then held for officers and guests at McGivney Hall to complete the evening festivities. See [KofC11402.shutterfly.com](http://KofC11402.shutterfly.com) for additional pictures of the Mass and the reception.

Many thanks to Ken Gregg for putting together the very nice reception.

## Grand Knight's Report (continued)

to respond to God's call, and by assisting them whenever and however we can. Council 11402 has, for many years, supported seminarians in the Archdiocese of Atlanta. We've also been blessed with Brother Knights who have responded to the call to enter the diaconate. I would like us to get more involved in working with the Serra Club and the diaconate formation program, as well as the Monastery at Conyers and the local sisters and nuns who could benefit from our assistance.

.Our **last goal** is really simple. You've heard me refer to our fish fry as "Cookin' for the Greater Glory of God!" I'd like to challenge us all to make the motto of the Jesuits our motto for the year, "*Ad majorem Dei gloriam* - To the greater glory of God."

Let's try to remember that everything we do this year should be directed toward the greater glory of God. That no event or effort, no matter how small, is too small or insignificant to be a graced moment in service to our God and to our fellow men. It's not in the "great things" that we will become great, but in the "little things" that show our love for one another.

I am humbled by the confidence you have shown me in electing me to be Grand Knight. I accept the responsibility gladly, and I'm looking forward to a year filled with fun, holiness, challenge, and triumph! We will have moments of despair and failure through the year, too. It's at those times we will fall back on our faith, on our unity, and on our fraternity to get us through. Wishing you all the best for the upcoming fraternal year!

God Bless! Vivat Jesus!
