Grand Knight's Report

Worthy Brothers:

We're deep into Lent and the preparation for Easter. Later in the month, we'll be holding our **Day of Reflection** with the theme "Preparing for Easter." I thought I'd take a moment to put this into perspective.

Lent and the preparation for Easter is a wonderful way to remind us of the true nature of the Christian witness; that is, as a memorial of the life, death, and resurrection of Jesus Christ.

Indeed, this prophetic witness is proclaimed at every Mass when we proclaim, "*Christ has died, Christ has risen, Christ will come again.*"

This acclamation is the universal acclamation of the Church, echoing through centuries past and reaching forward into centuries yet to come. The Church is the ongoing presence of Christ in the world, and as members of the Church and as Knights we are challenged to live our lives in the imitation of Christ and to express the Gospel in our daily lives.

The early Church recognized baptism as the sign of entering into this new life, and arranged its liturgical practice in anticipation of new candidates being baptized during the Easter Vigil. Our modern RCIA program recaptures this focus on baptism.

Just as Christ died, was buried, and was reborn into a new life during the first Holy Week, those approaching baptism are prepared to die to sin, to be buried in the waters of baptism, and to be reborn in the Spirit. This is a wonderful lesson that is repeated for all of us every Lenten season, and this lesson can be the focus of our Easter preparation.

For us to do this, we cannot be satisfied with just being Christians in name, but we must be Christians in faith and in action. We cannot be content

with knowing that we have been baptized, we must *live out* our baptism.

As Knights, we have all pledged to live out our lives in Christian witness and to adhere to Gospel values. The Lenten and Easter experience helps us delve deeper and more fully into the mystery of Christ. In doing so, we enter more deeply and more fully into the mystery of the

Church, and we become more aware and responsive to our role as Christian Knights.

Turning to Council business, we're "full speed ahead" with our Lenten fish fries. The first week saw almost 1200 meals served! In a good year, we serve over 5000 meals, so we're potentially in for another record-breaking season. We've got some exciting new entrees that will debut for trial in March. Y'all come and get you some fish!!!!

Greg Crnkovich
Grand Knight

We're on-track to achieve our Star Council Award, if we can attract about 5-8 new members between now and the end of May. The Fish Fry is an excellent time to reach out to men who may be interested, but have never been asked. To that end, we've set up an information table that will be manned at 3 of our 6 events.

Also, it's vitally important that we continue our "***Wear Your Knights' Badge to Mass***" program. By making our presence known in this subtle way, we raise awareness and build interest in joining our Order.

We've made good progress in everything we've set out to do this year. My personal thanks to each and every one of you and your families for your continued support.

Vivat Jesus!

Engineering a Fish Fry

When you walk into the parish Social Hall to enjoy one of our Knights of Columbus Fish Fries and see the tables set up in their normal fashion, you probably never give it a second thought.

You would never know that you are walking into a carefully-formulated universe designed by Knight engineers using the latest computer graphics tools. Every inch of floor space is carefully designed to maximize utility, while using the available table and chair inventory of All Saints to greatest benefit.

Hours before each Fish Fry, this computer diagram is perused meticulously to guide the setup crew in arranging room furniture. Bob Mitchell, our resident engineer, oversees the process. The spaces between tables is carefully measured to the inch to allow customer movement and easy passage of waiters and rolling trash carts. Tables are chosen and arranged to maximize the seating capacity to 294 persons in our limited Social Hall area.

Placement of drink and other service stations is designed to ensure that traffic is never impeded. The take-out area is designed to move those patrons away from the dining area. Seated patrons are notified by microphone and their warm dinners are brought to them. Fast service ensures reuse of the tables several times.

Order forms are carefully engineered for an effortless check-in, correct pricing, and clear visual utilization by cooks and waiters.

The tear-off receipt contains instructions regarding customer movement and aluminum can recycling.

Most of the cooking is done just outside the Hall and down in the Activities Building kitchen to maximize our parish resources. This frees the Hall kitchen for side dish preparation and warming lights. Two golf carts move food between the buildings in a constant stream. The entire operation could provide a great Industrial Management Magazine article.

And now you know why the Knights can provide a thousand economical and delicious fish dinners in about three hours each Friday in Lent. No restaurant in town can match these guys. All it takes is a little engineering.

Never Too Old To Be Altar Boys

Typical Knight acolyte team—Dave Webster, Dick Calupca, Lou Hlad, Norb Braza, Art Montagne

Last year 46 parishioners went to their eternal reward with a funeral Mass at All Saints, and each one was given the dignified respect of a Knights of Columbus acolyte team serving on the altar.

Our parish council has about 50 brothers that volunteer to serve every funeral at the request of Monsignor Kiernan. A team consists of a cross bearer, two torch bearers, one wine, and one water bearer. At times a sixth incense bearer may be employed.

Four team captains rotate the duty of filling the slots as soon as a funeral is announced. Our head acolyte "general" is Dave Moeller who coordinates activities with the church and oversees all the troops.

All acolytes are required to wear matching blue blazers, white shirts, dark slacks, and special K of C emblem ties as their acolyte uniform. Needless to say, a lasting impression is made on anyone who may witness a funeral at All Saints.

This year you will get to see them serving at an occasional Sunday Mass or two. Everyone wants to see them in action. And they will.

All Saints “Free Throw Tournament” Champions

Eight boys and girls from Dunwoody, ages 10 to 13, were named local champions of the *2007 Knights of Columbus Free Throw Championship* and earned the right to compete at the district level. Our Council Youth Director, Mark Moots, was the organizer and host of the local contest at the All Saints Gym.

Kendall Chadwick and Anna Crochet were the 10-year-old girls’ co-champions and Andrew Keith was the winner of the 10-year-old boys’ division. In the 11-year-olds’ bracket, Ann Marie Ilse was the girls’ champion and Zach Vieira was the boys’ champion. Twelve-year-old winners in the girls’ and the boys’ divisions were Nikki Mastin and Bradley McKnight. The 13-year-old girls’ division was won by Kelly Dwyer and the boys’ division by Mason Wood. Each contestant was allowed 15 free throw attempts in the contests. The tourney was held on Sunday, January 21st.

Basketball prowess was in fine form throughout the tournament: Bradley McKnight knocked in all his 15 consecutive shots; Kendall Chadwick and Anna Crochet had to shoot head-to-head after tying with 13 each to determine who would represent All Saints at the district championship.

These champions later went on to compete in the District Championships on February 4th, also held at All Saints Gym.

All Saints district girl champions were Kendall Chadwick, Ann Marie Ilse, and Kelly Dwyer. For the boys’ divisions, winners were Andrew Keith and Bradley McKnight. All our district champions will compete at the state tournament in Macon during March against champions from 20 other districts.

Note: Kelly Dwyer is the grand daughter of our own Sir Knight Dave Moeller.

Important Schedule for Existing First-Degree Brothers

Worthy First-Degree Brothers,

Nearly once a month, a 2nd Degree Exemplification followed shortly thereafter by a 3rd Degree Exemplification are held together at various council halls across northern Georgia. These ceremonies are free of charge to all the candidates (we pay your registration fee) and a very nice free lunch is always served afterward. Your only effort required is to come with your Knight ID membership card and a rosary (knights always carry rosaries.)

Any interested candidates can ride with John Jedlicka and Lou Hlad, who will be participating in the ceremony. Email louhlad@bellsouth.net. The initial second degree ceremony usually requires registration by 9 AM. The next event is at St. Mark in Clarkesville, GA. It will be a pleasant ride into the mountains of North Georgia.

These events are excellent opportunities to progress two stages in Knighthood and have an enjoyable few hours with your fellow Knights from several councils. Dress is business casual with a sport coat suggested in keeping with the religious theme. You will be home by mid-afternoon and you will be a proud Third-Degree Knight. You may then be eligible to become a Fourth Degree Knight on April 21. All ceremonies are interesting and uplifting.

This is the schedule for upcoming events. Contact a council officer to express your interest in your progression.

Sat	3/10/07	St. Mark	Council 13491	Clarkesville
Sat	4/28/07	Monsignor Regan Council	Council 8731	Carrollton (Our Lady of Perpetual Help)
Sat	6/02/07	Holy Family Church	Council 9792	Marietta

Please join us. You will not regret the time spent. Your name will be proudly printed in the All Saints Parish Bulletin, and you will be a featured star in our next Council newsletter.

Meet Our Newest First Degree Brother

On February 1, 2007, our council held a First-Degree Exemplification for six new brother knights in McGivney Hall.

One new Brother, Hank Schoeler, left, (pronounced Shuler) is headed to the All Saints Council, while the other five are destined for the St. Patrick Council in Norcross and St. Brendan Council in Alpharetta. These other two councils currently lack the certified first degree exemplification teams needed to induct new knights. They join with other councils until they form teams and become fully certified.

Brother Hank moved back to Atlanta in 2000 and was a previous member of St. Jude the Apostle Parish. His wife, Nancy, and he have a daughter, son, and daughter aged 31, 28, and 22. He is a BMW salesman! It should be noted that we already have a Cadillac salesman, Sir Knight George H. Foster.

You can frequently see Hank at morning Mass. We welcome him into our fraternity.

Meet Our Newest 3rd Degree Transfer

At our February meeting we were pleased to vote on the transfer of 3rd Degree brother Bernie Boehnlein into our council. The vote was unanimous and Bernie was gladly greeted as our newest knight.

He was originally from Atlanta, but had been living in the Northeast and was a member of the Ridgefield, Connecticut, St. Mary Parish Marquette Council #245. He moved back last year.

Bernie is married (wife name is Annemarie) and their three children are Matthew, Alyssa, and Natalie. They also have two dogs — Fred and Ricky.

He is currently employed as a Senior Planning Manager for Coca-Cola Enterprises. His passions are playing basketball, fishing, and cooking out on the grill. His social life revolves around his family — the stuff that great Brother Knights are made of.

Meet Our Newest 3rd Degree Inductee

Jeff Durthaler became a Third-Degree Knight on February 10th. He hails from Columbus, Ohio and is the 9th of 11 children. Both Jeff and wife Lisa of 14+ years are graduates of Ohio State University (OSU). Jeff attended both Catholic grade school and high school.

He holds an OSU Master's Degree in Pharmaceutical Administration and has served in various management roles at OSU, the University of Kentucky, Children's Healthcare of Atlanta, and is now employed in the Eli Lilly Co. Health Outcomes Research Group.

Both he and Lisa have been very active in All Saints ministries since they joined in 1999. Lisa has been Chair of St. Monica's Circle. Jeff is a facilitator of the Why Catholic Program and co-facilitator of the Men's Scripture Study Group with Sir Knight John Francis. They have three children — Ashlee(7), Kayla(4), and Joshua (10 months).

Jeff became a Knight because he puts God first, Family second, and Work third. He also believes strongly in our four cornerstones — Charity, Unity, Fraternity, and Patriotism.

Wiley Maloof Gets Recycling Kudos

Sir Knight Wiley Maloof continues amazing the Council by turning our trash into gold. At the February business meeting, he announced that he had raised another \$250 by recycling used inkjet cartridges and toner cartridges into cash. (That's why they call him Wiley.) He gets our heartfelt thanks and admiration.

Please continue bringing your used cartridges to McGivney Hall. They are very valuable (as you can see).

February Social Speaker Draws Great Crowd

Brother Ken Gregg drew an attentive audience of 36 folks to his “*Antique and Furniture Restoration*” program on February 20th in McGivney Hall. He kept people glued to their seats as he explained the types of adhesives and special techniques used in his furniture restoration business. Several knights brought their wives and one brought a neighbor.

Dr. Gregg is a retired 30-year college biology professor who now spends his time on his passion for furniture restoration. He is available for hire at reasonable rates. His talk was instructive, plus pizza and good drink made the evening a memorable one. We thank Sir Knight Kirby Baden for continuing to get interesting programs for members and guests.

Social Security Credit for Active Military Service !!!

Sir Knight (and Colonel) Jon Bird has asked us to share this little-known benefit with anyone who's had active duty military service prior to January 2002 and is planning for retirement. In a nutshell it boils down to this:

You qualify for a higher social security payment because of your active military service from 1940 through 2001 (the program was eliminated in January 2002). You may qualify for **up to \$1,200 per year** in additional Social Security benefits depending upon your service. This added benefit is credited at time of application. The appropriate Social Security website address is : <http://www.ssa.gov/retire2/military.htm>.

You must bring your DD-214 form to the Social Security Office - and **you must ask for this benefit to receive it!**

Example 1: Service in 1978 through 2001

For every \$300 in active duty basic pay, you are credited with an additional \$100 in earnings up to a maximum of \$1,200 a year. If you enlisted after September 7, 1980, and didn't complete at least 24 months of active duty or your full tour, you may not be able to receive the additional earnings. Check with Social Security for details.

Example 2: Service in 1957 Through 1977

You are credited with \$300 in additional earnings for each calendar quarter in which you received active duty basic pay.

First Day of Reflection — March 24th

Our first 2007 **Day of Reflection** will be held Saturday, March 24th, 11 AM to 4 PM . This year the free event will be held for the **first time at McGivney Hall**, giving our membership an unprecedented convenient venue to attend. The attendee number for the first several reflection days and annual retreats has steadily risen . We hope to fill McGivney.

Deputy Grand Knight Frank Callan and Wiley Maloof arranged for the participation of Cistercian Father James Reston, OCSO, of the *Conyers Monastery of Our Lady of the Holy Spirit* to homilize us on themes for **Easter Preparation**.

Fr. Reston required special approval from his abbot to attend. Cistercian OCSO (Order of Cistercian Strict Observance) —alias Trappists —generally do not leave their monastery. If you plan to attend, please email: fvcallan@aol.com.

Complimentary lunch will be provided. The Mass ending the ceremonies will fulfill your Sunday obligation.

Our “*Knighth of the Month*”— Sir Knight Sam Portis

At the February Business Meeting, Brother Sam Portis was awarded the January “*Knighth of the Month*” Award for his fish fry prep work in installing the new fry area awning plus upper kitchen dutch doors and new counters for the fish fry line.

His award was the fancy Husky Gym Bag with 22 pockets (shown on the table) including a water bottle and a stainless thermos bottle and cups.

<<Shown on the left is Mike Paolozzi, our Family Life Chairman, presenting the award to Portis. Just off to Portis’ right is Brother Knight John Knight (say that fast three times). Onlooking from the very far right is Brother Jim Mammoser.

John Knight had just been handed his own citation for easily fulfilling all the criteria for a *Shining Armor Award*. In his first year of membership, John had to be involved in three council service projects, attend three business meetings, receive his 2nd and 3rd degree, meet with our insurance rep (John Jedlicka), and recruit one new member. He did all these things and more. **Congratulations John!!**

Eagle Scout Candidate Gets Council Award >>

Our Council Activities Director, George H. Foster, brought along an eagle-badge candidate, Eric Rusiecki, to our February meeting to ask for help in completing his Eagle Scout Project. Eric is building three dog ramps of various configurations in an area used to train guide dogs for the blind near Orlando. Foster is an assistant scout master at Eric’s Troop 21 at Our Lady of the Assumption.

Because time was critical, we awarded Eric the maximum amount of \$200 that can be levied by the officers without a formal vote of the Council, since serving youth activities is an important goal of our organization. Eric gave us a very convincing presentation (and he was bigger than we were). We look forward to seeing future pictures of the completed project at Canine Companions, Inc.

March Social Meeting Speakers Scheduled

Norb Braza

We will have two speakers for the Tuesday March 20 Social Meeting 7PM.

Norbert Braza will begin the evening with a presentation on the History of Computing. Kirby Baden will follow with a demonstration and presentation on Photo Editing. Kirby will demonstrate how to enhance your photos and, you will never again have an excuse for a photo with “red eye”.

As bonus gifts, Kirby will provide each of you with a “*Picasa2*” editor copy. In addition, attendees will also receive a copy of the “*PhotoStory 3*” program used to make the slide show with which the evening begins.

Remember, your spouse is always welcome to attend our social evenings. Light refreshments will be provided. Check out our last Social on Page 5.

Continued Collection of Items for Troops and Veterans

We continue to request that you bring to our meetings unneeded golf equipment to send to the USO for distribution to the troops overseas (bags, clubs, balls, tees, etc.) These items are used on makeshift courses on the lovely rolling dunes of Iraq and Afghanistan and relieve some of the tedium of the troops.

We also continue to request that you bring magazines, books, toiletries, cards, games, pens, pencils, usable clothing, stationary, etc. to be taken to the Veterans Hospital in Atlanta. The need is great.

Recommendations Before the Council

These four benevolence requests were passed at the February Business Meeting by the membership assembled:

Atlanta Intercultural Ministries— \$1,000 — requested by Greg Crnkovich for this after-school mentoring program for children of immigrant and refugee families to enhance their reading and writing skills.

Birthright of Atlanta — \$1,000 — requested by Dave Moeller. This right-to-life organization is one of our regular recipients of financial aid. Last year Archbishop Donoghue gave out the check at our meeting.

I-Care — \$1,000 — requested by Tom Burleigh. This organization provides drivers for indigent people who can not take themselves to health care facilities. Several council members are drivers.

Spirit and Truth Ministries— \$250 — requested by Greg Crnkovich for this young adult group in Doraville that fosters devotion to the Holy Eucharist and Mary.

New recommendations offered in February and needing membership vote approval at the March meeting are:

A new retractable awning over the Fish Fry cooking area — \$1,000.

Repairs for the walk-in freezer in the Activities Building Kitchen — \$1,770.

Passage of **revised Council By-Laws**. Copies distributed to all attendees at February meeting. Email copies were sent.

New recommendations passed by the officers in February (not requiring membership approval due to amount):

Award of \$200 to the All Saints church group going to Jamaica in February to defray their expenses.

Award of \$200 to Boy Scout Eric Rusiecki of OLA Troop 21 for his eagle project. See article in this newsletter.

In Memoriam — Tom Burleigh's Mother — Age 100

The Council was recently made aware by John Buchholz of this extraordinary January 16, 2007 obituary from the *Press Republican* newspaper in New York. It shows the type of people that nurture and foster our members. Tom Burleigh lost his wife, Arthurlyn, and his mother within a year and we honor him with this reprint and remember them in our prayers.

Anna Evelyn Burleigh

TICONDEROGA — Anna Evelyn Cunningham Burleigh, 100, died January 14, 2007, at the Moses-Ludington Hospital of Ticonderoga surrounded by her loving family.

She was born in Ticonderoga on Oct. 1, 1906, the daughter of Thomas Francis and Mary O'Hearn Cunningham.

After grammar school in Ticonderoga, she attended Sherman Park Seminary in Port Henry in 1918 from which she graduated as the valedictorian of the class of 1924. She was employed in her father's pharmacy until her marriage to Henry Gordon Burleigh III on Feb. 13, 1928, when she took up residence at the Burleigh family home on Champlain Avenue.

Gordon and Evelyn raised a family of nine children, the late H. Gordon Burleigh IV, Virginia Burleigh LaPointe of Ticonderoga, Mary Burleigh McDonald of New Hartford, N.Y., Thomas Francis Burleigh of Dunwoody, Ga., and Ticonderoga,

Anne Burleigh McDonald of Ticonderoga, Colonette Jane Burleigh of Ticonderoga, the late John Sanborn Burleigh, Elizabeth Bernadette Burleigh of Ticonderoga and Sheridan Locke Burleigh of Saratoga Springs.

After her husband's death in 1959, she was employed in several positions, which include Ticonderoga School Board of Education clerk, Village of Ticonderoga treasurer, International Paper Company receptionist and Fort Ticonderoga Museum attendant. Among her many affiliations and honors were the St. Mary's Catholic Church, Catholic Daughters of America (70+ year member), Essex County March of Dimes Foundation, Moses-Ludington Hospital Ladies Auxiliary Guild, Girl Scout Committee, American Legion Ladies Auxiliary, New Horizons, Ticonderoga Historical Society, Ticonderoga Festival Guild, Friends of the Black Watch Memorial Library, Ticonderoga Heritage Museum, BPW. Woman of the Year and the Ticonderoga High School Honorary graduate.

Evelyn had a special commitment to the Essex County ARC, now known as Mountain Lake Services, of which she was a founding board member and honorary board member. She was especially proud of the accomplishments of her daughter, Betty, the first participant in the program and shared a vision with other board members to enhance the lives of those with disabilities. In October of 2005, she was honored by the naming of the Evelyn C. Burleigh Day Habilitation Center for her consistent and tireless advocacy of community inclusion of citizens with special needs.

On the occasion of her 100th birthday, she was recognized for her life accomplishments by the Town of Ticonderoga and the New York State Legislature. The Senate resolution described her as a "beloved lady" who "has enriched the lives of those around her through her joyous and sincere love for others and through the quiescent charm and wisdom which comes only from a fullness of years."

Evelyn lived her life with boundless energy and inspiring enthusiasm. At age 13, she became Ticonderoga's first girl to take an airplane ride. Flying with barnstormer pilot, Clarence Chamberlain, a Charles Lindbergh competitor for the first transatlantic solo flight, she was with him when his plane made a crash landing in Ticonderoga. Over her many years, she has traveled extensively throughout the world, witnessed and celebrated innovations, cultural developments and the awesome achievements of this country during the last century.

Besides the aforementioned children, she is also survived by 25 grandchildren, 47 great-grandchildren, and 5 great-great-grandchildren.

Relatives and friends may call Wednesday from 2 to 4 and 7 to 9 p.m. at the Wilcox & Regan Funeral Home at 11 Algonkin Street, Ticonderoga. A Prayer Vigil will take place Wednesday evening at 8 p.m. at the funeral home. A Mass of Christian burial will be celebrated Thursday, 11 a.m. at St. Mary's Catholic Church of Ticonderoga. The Rev. William G. Muench, Pastor, will officiate. The Rite of Committal will follow at the family plot of the Mt. Hope Cemetery of Ticonderoga.

Donations in her memory may be made to St. Mary's Catholic School, Amherst Avenue, Ticonderoga, NY 12883.
