Subject: [KC11402] Council 11402 Elections Tuesday June 5th

Brothers,

Tomorrow, Tuesday June 5th, we hold our very important officer elections for the 2018-2019 fraternal year starting July 1st. Our trustees have been busy canvassing members to ascertain their interest in running for positions tomorrow. This is the up-to-date situation as we near the elections.

The trustees report these current members to be seeking these positions and all have been vetted to run. Of course, any eligible member not listed here (3rd degree or better) may be nominated by another brother right up until the election for that office occurs.
