## Report of The Fourth Degree

Submitted by Bob Mitchell:

### Report of the Fourth Degree

1. The January Assembly meeting scheduled for next Thursday, January 14<sup>th</sup> will take place in the old sanctuary at Mary Our Queen Catholic Church in Peachtree Corners, just down the hall from Kiernan Hall, where we have met in the past. MOQ joins St. Andrew as a host site for the first time since last February, and we appreciate them welcoming us in both January and March of this year. The meeting will be both in person as well as available virtually, thanks to Steve Strong. In February and April, we expect to return to the Family Center at St. Andrew Catholic Church. Lou Hlad will conduct the rosary starting at 7:00 PM, we'll take a brief break for snacks (since we aren't allowed to serve dinner), and the business meeting will start at 7:30 PM. Once we get the go-ahead to hold meetings back at All Saints, we will add them into the rotation, but unfortunately, there is no timetable for this to take place.

2. Even though a new District Master was named in September, no Fourth Degree Exemplifications have yet been scheduled.

Dear Knights of Columbus:

On behalf of Our Lady of Perpetual Help Cancer Home Auxiliary and the Sisters at the Home, we wish to thank you for your donation of \$1,000.00 in support of the Home. The Auxiliary appreciates the support your parish has given the Home through the years.

Our Lady of Perpetual Help Home Auxiliary qualifies under Federal law as a 501C(3) organization. Therefore, your contribution is tax deductible to the extent allowed by law. Our Federal Tax ID Number is 58-6039067.

The Home operates on three precepts that the Sisters always be directly involved in the care of the residents, no one be allowed to experiment with a resident and no money is accepted from the family of a resident.

The role you play is extremely important to the Dominican Sisters of Hawthorne, the Home and all the patients who choose to spend their last days in such a special place.

In the words of Mother Alphonsa, "To help the needy is not enough; it must be done in a Christ-like manner."

Thank you again.

## I CARE'S Procedures for Grocery Delivery Service

Below are procedures for I CARE's Grocery Delivery Service. Senior Clients need to understand that neither I CARE, Inc. nor the Volunteer Driver is responsible for items chosen by the in-store shopper and will not be responsible for returning or exchanging items. Similarly, Clients – and not Volunteers – are solely responsible for any financial obligations connected with the purchase of groceries. This is a contact-free service, and Clients and Volunteers should practice social distancing and best-practice safety measures in compliance with accepted coronavirus guidelines.

1. Client contacts I CARE and lets Coordinator know date, time and name, phone number and address of grocery store where they will be shopping. Client must schedule pickup seven business days prior with I CARE.
2. I CARE Coordinator assigns a Volunteer to the ride. The Volunteer will be sent the following information: Client name, address and phone number, and grocery store name, address and phone number, as well as date and time of pickup that has been agreed to and confirmed by the store.
3. After Volunteer has confirmed they will pick up and deliver groceries with the I CARE Coordinator, the Coordinator calls the Client and lets them know the name of the Volunteer assigned to deliver groceries.
4. The Volunteer will contact the Client at least two days prior to delivery to introduce himself or herself to the Client and let them know they will pick up and deliver the groceries. They should also discuss any pertinent details, including a designated area where the groceries will be dropped off (porch, doorstep, garage, etc.) at the Client's home, and whether the Client is ordering frozen items that can melt.
5. The Client uses the store's app (Publix: "Publix Powered by InstaCart; Kroger: "Kroger Fresh for Everyone") to purchase groceries, and selects and confirms the date, time and location referred to in Step No. 1.
6. On day of delivery, the Client will contact the Volunteer when the in-store shopper has finished shopping and groceries are ready to be picked up at the store. Client will indicate on the app that an I CARE Volunteer is picking up groceries and the type (sedan, SUV, pickup) and color of car they drive. Client will also indicate on the app that the volunteer is "on the way" to pick up groceries.
7. Volunteer will drive to store and park in designated pickup area while store loads groceries in car. (This is contact free.)
8. Volunteer drives to the Client's address and delivers groceries to the porch/front door or other desired outside location as agreed upon. This part of the process is contact free, and Client should not approach Volunteer during this time. If Client does not see that groceries have been delivered, the Volunteer should call the client to let them know they have been delivered.
9. I CARE's delivery service does **not** include the pickup and delivery of prescription drugs.
10. For the time being, the pickup of groceries is limited to Kroger and Publix. (Note: Other stores might be added in the future as experience is gained.)
11. Clients and/or Client helpers are responsible for ordering groceries. I CARE is not able to set up accounts with stores or to assist Clients with orders on computers or by telephone.
12. Minimum orders are \$35 for both Kroger and Publix. Orders totaling less than \$35 aren't eligible for pickup and delivery from I CARE.
13. For the most part, grocery stores must be located within DeKalb County. If a Client requests pickup from a grocery store outside DeKalb County, the grocery store must be within a 10-minute drive of the Client's home.
