**Financial Success Under Any Circumstance**

You're invited to join our webinar where Van will ask some wonderful compelling questions that will help you clarify how to have financial and retirement success. Here are a few examples.

- 1) How can you maximize your social security?
- 2) Do you prefer to build a legacy for your family and business or the Internal Revenue Service?
- 3) If there was a way to reduce or eliminate the income tax liability on your IRA or 401K, when would you want to know about it. Before or after they charge the tax?
- 4) Can you build a wonderful retirement income if interest rates remain at zero and the stock market offers zero return for a decade?
